

Several Pumps and Accessories

Drill Pumps

Tellarini self priming hand drill pump

For clean fluids, gasoil, water and food.
A standard hand drill is the motor for the pump.
Can be used in both directions left and right. Speed range 1.400 through 2.800 rpm.
Material impeller, pump housing and impeller housing of brass.

Material pump shaft Stainless Steel AISI 316.
Connection R 3/4" male thread. Shaft diameter 8.0 mm. Weight 1,2 kilo.
Type TR-14 hose connection 1/2" and external thread G 3/4", dimensions 83 x 125 x 105 mm.
Free flow 1.020 l/min and @ 5 meter 660 l/min.

Type TR-20 hose connection 3/4" and external thread G 3/4", dimensions 83 x 125 x 105 mm.
Free flow 1.020 l/min and @ 5 meter 660 l/min.

Article No.	Description	Free flow L/min	Suction head	Discharge head	Weight kg	IMPA
590100	Tellarini TR-14	1.020	6 mtr	28 mtr	1,2	-
590101	Tellarini TR-20	1.020	6 mtr	28 mtr	1,2	-

Gardena self priming hand drill pump 1490

Simple pump for use on a standard drill machine.
Plastic composite housing. Shaft connection 8mm.
With the original Gardena hose connection couplings direct ready for use.
Only for clean water.
Spare parts available.

Article No.	Description	Free flow L/min	Suction head	Discharge head	Weight kg	IMPA
931050104	Gardena 1490-20	40	6 mtr	-	0,5	-

Gardena Hose couplings

Article No.	Description	Size mm	Size Inch	IMPA
93450855	Waterstop coupling 18213	13	1/2"	-
93450856	Waterstop coupling 18214	19	3/4"	-
93450932	Premium coupling 18255	13	1/2"	-
93450935	Premium coupling 18256	19	3/4"	-

Suction set

Suction set with 4 meter hose with both ends 1" male thread.
Suction strainer with non-return valve and 1" female thread.
Straight nipple 1" male thread.
Bend swivel 1" female thread and 1" adaptor.
Mainly used for self-priming Jet pumps

Article No.	Description	Diameter	IMPA
595020A	Suction set 4 meter	25 mm - 1"	-

Ponstar Sand PBX floatswitch

Separate floatswitch to use in combination with the Ponstar PBX-4 and PBX-7.
Easy self assembly.
Voltage 230V.

Article No.	Description	Voltage	IMPA
594528C	Ponstar Sand PBX Floatswitch	230	-

Float Level Switches Emco Controls
